The event  
is highly

productive  
and fun!

We put the  
focus on the  
*quality* of  
attendees, not  
the quantity

1

The intimate  
setting fosters  
relationship-building  
opportunities.

2

Attendees are  
limited to only  
distribution  
executives so you  
can focus specifically  
on this important  
audience.

3

The compact  
schedule gives  
you the power to  
maximize your  
productivity in a  
couple of days.

4

Table-top  
booths are easy  
to coordinate and  
manage, while the  
cost makes the event  
very accessible.

5

Booth  
meetings are by  
appointment,  
guaranteeing your  
productivity.

6

Exhibitors  
participate in  
the entire event,  
not just during  
exhibit hours.

7

To ensure  
success, exhibitors  
receive a variety  
of support tools,  
like the Distributor  
Attendee List.

8

Event is held in  
a hotel, eliminating  
the expenses and  
logistical challenges  
commonly associated  
with convention  
centers.
